

Ladies...If you've ever thought that drinking beer was only for men... *but secretly wanted to try it...*

Come along to a tasting evening with members of Keighley & Craven CAMRA (lots of us are women!) for an interesting and fun evening finding out what traditional cask-conditioned beer is all about. You'll be able to sample various styles of "real ale" and discover how to appreciate their exceptional qualities.

It is a "ladies" evening but partners and friends are of course welcome

Thursday July 14th 8.00pm
The Narrow Boat, Skipton

Cost per person: £10.00 includes samples of at least 6 cask-conditioned beers, a fun quiz, snacks and a free raffle.

To Book: Contact the pub on 01756 797922 or Keighley & Craven branch chairman (Colleen) through our website:
www.keighleyandcravencamra.org.uk
